TRADE AND DEVELOPMENT BOARD
Thirty-seventh session, first part
Geneva, 1 October 1990
Item 10(f) of the agenda

INSTITUTIONAL, ORGANIZATIONAL, ADMINISTRATIVE AND RELATED MATTERS

Review of the calendar of meetings

Note by the UNCTAD secretariat

Addendum

Since the completion of document TD/B/L.901, the following calendar matters have emerged:

Ad hoc Review Meeting on Bauxite

At informal consultations held on 28 September between representatives of the major bauxite producers and consumers, it was agreed that the Secretary-General of UNCTAD should convene an Ad hoc Review Meeting on Bauxite in 1991, in line with paragraph 77 of the Final Act of UNCTAD VII. It is suggested that provision should be included in the calendar for such a meeting from 13 to 17 May 1991, immediately following a scheduled meeting of the International Bauxite Association in Kingston, Jamaica the previous week.

Provision for this meeting would be set against the existing item in the calendar covering commodity conferences and other commodity meetings.

Committee on Economic Co-operation among Developing Countries, 6th session

As the calendar stands at present, the above session is scheduled from 22 to 30 April 1991. It is, however, suggested that the timing of this session should be adjusted in order to allow more time to complete the preparations for it, in particular given the need to take account of the outcome of the Meeting of Heads of Secretariats of Economic Co-operation and Integration Groupings of Developing Countries in January/February 1991, and of an ad hoc expert group, advisory to the Secretary-General of UNCTAD, to be convened in April 1991.

Accordingly it is suggested that this session be rescheduled to July 1991, the exact timing of which would be subject to the timing of UNCTAD VIII.

Group of Experts on Multimodal Transport

At its fourteenth session in June 1990, the Committee on Shipping, in resolution 67 (XIV), requested the convening of a Group of Experts on Multimodal Transport for one week during 1991.

Owing to organizational and other problems, it is suggested that this meeting be held in January 1992, for example 20-24 January 1992.

Resumed Session of the Review Conference on the United Nations
Convention on a Code of Conduct for Liner Conferences

In this connection, consultations are proceeding amongst all parties concerned regarding the rules of procedure of the above Conference.

Pending the outcome of such consultations, and the relevant action by the General Assembly, it is suggested that, for planning purposes, the period 29 April-17 May 1991 be earmarked for a possible resumption of the Conference.
